Terms and conditions for professionals:

Delivery Period

Immediate shipping from reception of the payment. Sending by carrier chosen according to the delivery address.

Regulation

Our prices are in Euro (€). The payment currency is the Euro (€).

Payment by check, mandate or transfer upon deliveries for the first 3 orders. And then 30 days from invoice.

Insurance

The insurance covers goods deteriorations and losses when dispatched. It applies only if the addressee notices the damage on the parcel in the presence of the deliverer, the complaint must be written on the delivery slip and confirms by registered mail within 48 hours.

Quality Insurance

Our essential oils are 100% natural. All technical documents can be sent with your order on request.

Retention of Title Arrangement

The goods remain the property of Exaflor up to the complete payment of the corresponding invoices. For any dispute, only the commercial court of Creteil (94) - France is competent.

Goods Return Policy

The returns of goods are authorized only on agreement given by Exaflor. First a Phone call must be done, then the products must be unopened, in perfect condition of packaging, and for a maximum deadline of 15 days after the expedition of the goods. All charges cost return are on behalf of the client.

Shipping Costs

The goods are sent by TNT for France up to 25 kg, or any other carrier, choice of Exaflor. Contribution's costs: from 12 € minimum chargeable to the customer.

Usual precaution on the use of the product

Keep out of children's reach. Do not apply the essential oil directly on the skin. In case of projection in the eyes or on the skin, rinse abundantly and immediately with some water; consult a doctor in case of persistent irritation. We disclaim all liability in case of ingestion. Call immediately the poison center.
